1. A physician who attends the personnel of a ministry receives a monthly salary of 2,300 Kcs., but after various deductions he is paid only 1,900 Kcs. The salary is paid in two parts, on the 19th of the month and the 4th of the following month. Prior to the monetary reform of June 1953 salaries were paid in advance, but since then paydays have been gradually postponed to the above dates. 25X1
2. The plastic surgery ward of the hospital in the Vinohrady quarter of Prague has two separate sections, one for men and one for women, each with 22 beds. The head of this ward is Professor Burian (fnu). In mid-October 1954 all beds were occupied, and as soon as a vacancy occurred a new patient was admitted immediately. there are no facilities in Bulgaria for such operations. 25X1
